

OVERVIEW

Cara provides a landscape of open space seating, allowing designers and spatial planners an endless world of possible configurations. The eye-catching modular seating design has a stylish arm / back detail and tapered seat cushion placed on a sprung base to provide boundless comfort in a modular system. The versatile combinations of seating

modules can be configured into any linear shape to create something totally unique. Cara design detailing ensures the range works extremely well as stand-alone sofas. Available with arm integrated power and charging options.

FEATURES

- Armchair, two seat or three seat sofas
- Twelve modular seating combinations
- Skid or corner metal legs in black, graphite, silver or white
- Contrasting seat cushion option
- Arm integrated power/charging options
